

Graduate Student and PostDoc Awards 2018-2019							
Due Date	Award	URL	Information	How to Apply	Residency	Eligibility/year	Notes
10/15/2018	ACS Polymer Division Travel Award	https://polyacs.org/poly-gra	The POLY Graduate Student Travel Award was established to provide funding for graduate students studying polymer science at US institutions to travel to national ACS meetings and present their results (poster or oral presentation). Awardees will receive \$750 award to be applied to costs associated with registration, travel, and accommodations at the national ACS meeting at which they are presenting. One \$750 award will be based on merit and a second \$750 award will be based on an applicant making his/her first presentation, with financial need also taken into consideration. Recipients are recognized at the POLY/PMSE awards symposium at the national ACS meeting. Application is due 1 month prior to POLY abstract submission deadline on MAPS. (Around Oct 15 for Spring Meetings.)	See website for details	All	Grad degree in progress	Must be a member of both the ACS and ACS POLY Division. Student must be presenting at a POLY sponsored symposium.
10/18/2018	GSPC Travel Award - Winter	https://gpsc.tamu.edu/accessibility/awards-scholarships/travel-award/	Three types of Award, depending on if presenter or similar, poster presenter or similar, or attending but not presenting. See website for details and criteria.	Gpsc.tamu.edu	All	Grad degree in progress	
10/24/2018	Hertz Foundation Graduate Fellowship Awards	http://hertzfoundation.org/fellowships/fellowshipaward	The Hertz Graduate Fellowship Award is based on merit (not need) and consists of a cost-of-education allowance and a personal-support stipend. In addition to providing the necessary funding along with the research freedom to pursue their PhD, we also provide mentorship and counsel through the lifelong community of peers to which they now belong—the Hertz Community. Base award is \$34,000. See website for details.	See website for details.	US/Perm Res	1st year	

10/26/2018	NSF Graduate Research Fellowship Program	https://www.nsfgrfp.org/	The purpose of the NSF Graduate Research Fellowship Program (GRFP) is to help ensure the vitality and diversity of the scientific and engineering workforce of the United States. The program recognizes and supports outstanding graduate students who are pursuing full-time research-based master's and doctoral degrees in science, technology, engineering, and mathematics (STEM) or in STEM education. The GRFP provides three years of support for the graduate education of individuals who have demonstrated their potential for significant research achievements in STEM or STEM education. NSF especially encourages women, members of underrepresented minority groups, persons with disabilities, veterans, and undergraduate seniors to apply.	See website for details and deadlines.	US/Perm Res	Grad degree in progress, no previous grad degree	
10/29/2018	2019 Excellence in Graduate Polymer Research Symposium	https://polyacs.org/excellen	The Excellence in Graduate Polymer Research Symposium is organized by the POLY division and held at the spring national meetings of the ACS to recognize outstanding graduate students in polymer science and engineering, foster networking and exposure, and help develop the careers of future leaders in the field of polymers. This symposium includes both oral and poster sessions with presentations exclusively from graduate students.	Nomination/application packages should be submitted to the Graduate Office by October 29. Awards committee will forward nomination by November 5.	All	Grad degree in progress	Requires nomination letters from advisor and department chair. Only 1 nomination/application per department.
11/1/2018	Graduate Student Research and Presentation Travel Award	http://ogaps.tamu.edu/Butt	The Office of Graduate and Professional Studies Graduate Research and Presentation Travel Award provides educational opportunities that reimburses up to \$1,000 for travel expenses associated with academic conferences, research projects, and study abroad or internships in the United States and abroad. G.R.A.D Aggies Participation a plus. Apply by November 1 for travel after December 1.	See website for details	All	2nd year and after	Must have attended at least 1 G.R.A.D Aggies Professional Development event within the prior 12 months.
11/1/2018	Sandia National Laboratories President Harry S. Truman Fellowship in National Security Science and Engineering	https://www.sandia.gov/car	Three year fellowship. Truman Fellows conduct independent ground-breaking research that supports Sandia's national-security mission. Fellows choose their own research topics and benefit by having access to Sandia's state-of-the-art facilities and collaborating with some of the nation's best scientists and engineers. Fellows may work at either of Sandia's principal locations in New Mexico and California. Application available October 1 to November 1.	Apply online	US	PostDoc	Must have received PhD no more than 3 years prior to application.

11/1/2018	AAUW American Fellowships	https://www.aauw.org/what-we-do/educational-funding-and-awards/american-fellowships/	American Dissertation Fellowships: Dissertation Fellowships offset a scholar's living expenses while she completes her dissertation. The fellowship must be used for the final year of writing the dissertation. Other Fellowships available for early-career women faculty. Award is \$20,000.	See website for details.	US/Perm Res	4th - 5th yr grad students	AAUW American Fellowships support women scholars who are completing dissertations, planning research leave from accredited institutions, or preparing research for publication. Applicants must be U.S. citizens or permanent residents. Candidates are evaluated on the basis of scholarly excellence; quality and originality of project design; and active commitment to helping women and girls through service in their communities, professions, or fields of research.
11/15/2018	ACS Division of Organic Chemistry Travel Award	https://www.organicdivision.org/travelawards/#gradtravel	The Division of Organic Chemistry makes travel awards of \$600 each to aid graduate students in presenting papers or posters at ACS Meetings. Scientific merit of the paper to be presented will be considered. Each university department can have only one award recipient. To Apply for the Graduate Student Travel Award, submit these supporting documents as a single PDF file via the online Submission Form. Apply by November 15 for the Spring ACS Meeting.	Apply online	All	Grad degree in progress	Must be a member of the ACS Division of Organic Chemistry. Must be presenting an ORGN paper or poster at the ACS meeting.
11/15/2018	AAUW International Fellowships	https://www.aauw.org/what-we-do/educational-funding-and-awards/international-fellowships/	AAUW's International Fellowship program has been in existence since 1917. The program provides support for women pursuing full-time graduate or postdoctoral study in the U.S. who are not U.S. citizens or permanent residents. A limited number of awards are available for study outside of the U.S. (excluding the applicant's home country) to women who are members of Graduate Women International. Preference is given to women who show prior commitment to the advancement of women and girls through civic, community, or professional work. \$20,000 for graduate students, \$30 for post Doc.	See website for details	International	Grad degree in progress	Award specific to women. Up to five International Fellowships for master's/first professional degrees will be renewable for a second year; fellows will receive application information for this competitive program during their fellowship year. Award specific to women.

11/15/2018	DoE Office of Science Graduate Student Research Program (SCGSR)	https://science.energy.gov/wdts/scgsr/	The SCGSR program provides supplemental awards to outstanding U.S. graduate students to pursue part of their graduate thesis research at a DOE laboratory/facility in areas that address scientific challenges central to the Office of Science mission. The research opportunity is expected to advance the graduate students' overall doctoral thesis while providing access to the expertise, resources, and capabilities available at the DOE laboratories/facilities. Provides travel allowance and \$3,000 monthly stipend while at DoE facility.	See website for details and research eligibility requirements.	US/Perm Res	Post-prelim	
11/30/2018	National Physical Science Consortium Fellowships	http://www.npsc.org/index.html http://www.npsc.org/Applicants/Applicants/fellowshipinfo.html	NPSC's goal is to increase the number of American citizens with graduate degrees in the physical sciences and related engineering fields, emphasizing recruitment of a diverse applicant pool. Fellowships last up to 6 years, include 2 paid summer internships. Expense allowance of \$20,000 plus full tuition and fees. See website for complete benefits.	See website for application	US	Grad degree in progress	NPSC welcomes applications from any qualified U.S. citizen who has the ability to pursue graduate work at an NPSC member institution, such as TAMU. Applicants at any stage of their graduate program may apply, as long as they will be available to accept two summers of paid internship. Those who already possess a doctoral degree are ineligible.
12/1/2018	Ethel Ashworth-Tsutsui Award for Mentoring, College of Science	http://outreach.science.tamu.edu/ethel.php	Established to honor women graduate students, postdoctoral researchers and research staff who take action to encourage and support women graduate students at A&M University. Graduate student nominees must have completed at least two semesters at Texas A&M University and currently be enrolled. Nominations may be made by a peer or by a Texas A&M faculty member. Award recipient will receive a \$500 monetary award, certificate and plaque.	Nominations must be submitted to WISE or Dr. Nancy Magnussen	All	2nd year and after grad student, post doc or staff	Must be a female graduate student, post doc or research staff at Texas A&M. Graduate students must have completed 2 semesters and currently be enrolled.
12/1/2018	Ethel Ashworth-Tsutsui Award for Research, College of Science	http://outreach.science.tamu.edu/ethel.php	Established to honor women graduate students who have demonstrated excellence in research. Nominees must be women graduate students currently enrolled in a graduate program at Texas A&M University. They must have completed at least two semesters of graduate study at Texas A&M University and be enrolled for at least six semester credit hours during the semester in which they are nominated. Nominations may be made by the candidate or by a Texas A&M University faculty member. Award recipients will receive a \$500 monetary award, certificate and plaque.	Nominations must be submitted to WISE or Dr. Nancy Magnussen	All	2nd year and after grad student	Must be female graduate student at Texas A&M. Must have completed 2 semesters and be enrolled for at least 6 credit hours the semester in which they are nominated.

12/1/2018	SMART Scholarship - Department of Defense	https://smartscholarshippro	The Science, Mathematics And Research for Transformation (SMART) Scholarship for Service Program is an opportunity for students pursuing an undergraduate or graduate degree in Science, Technology, Engineering, and Mathematics (STEM) disciplines to receive a full scholarship and be gainfully employed by the Department of Defense (DoD) upon degree completion. Includes full tuition and fees, insurance allowance, and stipend up to \$38,000.	See website for complete requirements and application information.	US, Australia, Canada, New Zealand, UK	Grad degree in progress	Must be able to participate in summer internships at DoD facility. Must be willing to accept post-graduate employment with DoD. Must be in good standing.
12/6/2018	Ford Foundation Fellowship Programs	http://sites.nationalacademi	The Ford Foundation seeks to increase the diversity of the nation's college and university faculties by increasing their ethnic and racial diversity, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students. Predoctoral (due December 13), Dissertation and Postdoctoral (both due December 6) fellowships will be awarded in a national competition administered by the National Academies of Sciences, Engineering, and Medicine on behalf of the Ford Foundation.	See website for details on each Fellowship and deadlines for each fellowship.	US/Perm Res/DACA	Grad students and postdocs	Must be committed to a career in teaching and research at the college or university level. Must be US citizen, permanent resident, DACA, political asylee or refugee.
12/7/2018	NDSEG: National Defense Science & Engineering Graduate Fellowship (Department of Defense)	https://ndseg.asee.org/	National Defense Science and Engineering Graduate (NDSEG) Fellowships are awarded to applicants who will pursue a doctoral degree in, or closely related to, an area of DoD interest within one of fifteen disciplines, including Chemistry, Materials Science and Engineering.	See website for application, guidelines and qualifications.	US	1st and 2nd year grad student	

12/15/2018	ACS Analytica Chem Graduate Fellowships	https://acsanalytical.org/graduate-fellowships	<p>ACS Division of Analytical Chemistry Graduate Fellowship Program is designed to encourage basic research in the field of analytical chemistry, to promote the growth of analytical chemistry in academic institutions and industry, and to provide recognition of future leaders in the field of analytical chemistry. The program has endeavored to be a model of the benefits of cooperation between the academic and industrial communities, with chemical companies employing Ph.D. analytical chemists sponsoring the fellowships for outstanding analytical graduate students.</p> <p>The Graduate Fellowship Committee of the ACS Division of Analytical Chemistry, which is comprised of representatives from the sponsoring companies, analytical faculty from undergraduate institutions, and scientists from national laboratories, evaluate the applications and make the fellowship awards. Both nine-month (\$21,000) and summer (\$7,000) fellowships are available.</p>	See website for details	All	Completed 2nd year at time fellowship begins.	Applicant's research supervisor must be a member of the ACS Division of Analytical Chemistry.
1/12/2019	GSPC Travel Award - Spring	https://gpsc.tamu.edu/accessibility/awards-scholarships/travel-award/	Three types of Award, depending on if presenter or similar, poster presenter or similar, or attending but not presenting. See website for details and criteria.	GPSC.tamu.edu	All	Grad degree in progress	
1/15/2019	ACS DIC Student Travel Award	http://acsdic.org/wordpress	The ACS Division of Inorganic Chemistry is accepting applications for student travel awards for graduate and undergraduate students presenting research talks or posters at ACS National Meetings. The amount of the award is \$450.00. The deadline for receipt of applications is January 15 for the Spring ACS National Meeting, and June 1 for the Fall ACS National Meeting. Winners will be notified by March 1 and August 1, respectively, for the Spring and Fall meetings.	Apply online	All	Grad degree in progress	Must be a member of the ACS DIC and must be presenting a paper in the Division of Inorganic program.
1/15/2019	ACS Biological Division Travel Award	http://www.divbiolchem.org/awards/travel-awards/	The Division will offer travel awards on a competitive basis for graduate students and postdoctoral fellows to attend each national meeting and present a poster or oral presentation on their research. The selected awardees will be reimbursed up to \$600 for travel and registration expenses. ACS membership costs are not reimbursable. Receipts must be submitted along with a request for reimbursement after the meeting. Apply by January 15 for Spring ACS Meeting.	See website for details	All	Grad degree in progress	See website for application instructions and stipulations

1/19/2019	Computational Science Graduate Fellowship - Department of Energy	https://www.krellinst.org/csgf/	The Department of Energy Computational Science Graduate Fellowship (DOE CSGF) is awarded to students pursuing doctoral degrees in fields that use high-performance computing to solve complex science and engineering problems. Stipend of \$37,000, full tuition and fees, academic allowance, up to 4-years support.	See website for application, guidelines and qualifications.	US/Perm Res	First year	Must be first year graduate student and a US citizen or permanent resident. Renewable.
1/25/2019	ACS Henkel Award of Outstanding Graduate Research in Polymer Science and Engineering	https://pmsedivision.org/gra	The Henkel Award for Outstanding Graduate Research in Polymer Science and Engineering is given to recognize a graduate student or recent graduate who has completed an outstanding Ph.D. thesis in polymeric research. The award consists of a \$2,000 prize, a plaque, and reasonable travel expenses to the Fall National Meeting of the ACS for the presentation. While the award is a recognition of the graduate student, the research advisor will also be recognized during the award presentation. Applications due January 25 of each year.	See website for details	All	Post Doc with US or Canadian PhD less than 3 years old	
1/28/2019	US Senator Phil Gramm Doctoral Fellowship	http://ogaps.tamu.edu/Butt	The Gramm Fellowship was established to promote, encourage and reward outstanding teaching and research by doctoral students whose command of their respective disciplines exemplifies the meaning of scholar/mentor in the highest sense.	Nominations must be submitted to Graduate Office by January 28. The Awards Committee will forward the nomination to the college by February 1.	All	Post-prelim	Must have taught at least 2 semesters, dissertation research proposal must be on file in OGAPS..
1/28/2019	Association of Former Students Distinguished Graduate Student Excellence in Teaching Award	http://ogaps.tamu.edu/Butt	Each year we select up to 15 graduate students to receive the Association of Former Students Distinguished Graduate Student Awards in one of three categories: Excellence in Research-Doctoral, Excellence in Research-Master's, and Excellence in Teaching. Student nominations arrive from faculty advisors or departments, and nomination represents a true honor and accomplishment in itself, due to strenuous eligibility requirements. A panel of reviewers including faculty and administrators chooses award recipients.	Nominations must be submitted to Graduate Office by January 28. The Awards Committee will submit nominations to OGAPS by February 1.	All	2nd year and after	Nominees must have taught for 2 semesters as a GAT or IA, must be enrolled for 9 hours and in good standing. See website for details

1/28/2019	Association of Former Students Distinguished Graduate Student Excellence in Research Award	http://ogaps.tamu.edu/Butt	Each year we select up to 15 graduate students to receive the Association of Former Students Distinguished Graduate Student Awards in one of three categories: Excellence in Research-Doctoral, Excellence in Research-Master's, and Excellence in Teaching. Student nominations arrive from faculty advisors or departments, and nomination represents a true honor and accomplishment in itself, due to strenuous eligibility requirements. A panel of reviewers including faculty and administrators chooses award recipients.	Nominations must be submitted to Graduate Office by January 28. The Awards Committee will submit nominations to OGAPS by February 1.	All	Final Year	Nominees must be in their final year. Research proposal must be on file with OGAPS. See website for required information.
1/31/2019	Josephine de Karman Fellowship Trust	http://www.dekarman.org/qualifications/	The purpose of this fellowship program is to recognize and assist students whose scholastic achievements reflect Professor von Karman's high standards. DeKarman fellowships are open to PhD students in any discipline, including international students, who are currently enrolled in a university located within the United States. Special consideration will be given to applicants in the Humanities. Only PhD candidates who will defend their dissertation in or about June 2020 are eligible for consideration for a 2019-2020 fellowship.	See website for application, guidelines and qualifications.	All	4th - 5th yr grad students	Fellowship is for 1 academic year and cannot be renewed or postponed. To be competitive, graduate applicants should have outstanding letters of recommendation, significant early scholarly contributions, and have completed several chapters of the dissertation at the time of application.
1/31/2019	Buck Weirus Spirit Award	https://www.aggienetwork.com	The Buck Weirus Spirit Award honors up to 55 students each year who demonstrate high INVOLVEMENT, create positive EXPERIENCES throughout the Aggie community, IMPACT student life at Texas A&M and enhance the Aggie SPIRIT. Unlike other awards, the Buck Weirus Spirit Award recognizes those students who make contributions to the university through participation in student organizations, Aggie traditions and university events.	Apply online	All	Grad degree in progress	Must be currently enrolled and in good standing.
1/31/2019	ACS PMSE Graduate Student Travel Award	https://pmsedivision.org/gst	The PMSE Graduate Student Travel Award is given to provide partial travel support to women and/or under-represented (African American, Hispanic, or Native American) graduate students to attend and present their research at ACS national meetings. Each awardee receives \$500 to be applied to costs of travel. Apply by January 31 for Spring ACS Meeting.	See website for details	US	Grad degree in progress	Female and/or under-represented (African American, Hispanic, or Native American) graduate students performing research in fields related to polymer science and engineering who are US citizens or permanent residents are eligible. Nominees should be full-time graduate students at the time of application with a submission of an abstract (as presenter) to a PMSE symposium at a National ACS Meeting.

1/31/2019	IPMI Student Scholarship Awards for Precious Metals Research	https://www.ipmi.org/page/	See website for each award criteria. Must be researching on/with precious metals.				Awarded in April.
2/1/2019	Susan M. Arseven Make-A-Difference Memorial Award	http://outreach.science.tamu.edu/	Nominees must be women graduate students currently enrolled in a graduate program at Texas A&M University who have completed at least one semester of graduate study at TAMU and are enrolled for at least six hours during the semester they are nominated. Previous award recipients of Ethel Ashworth-Tsutsui or Susan M. Arseven awards are not eligible for nomination. The intent is to provide financial assistance for personal needs and special situations <i>not</i> related to research expenses.	Nominations must be submitted to WISE or Dr. Nancy Magnussen	All	Grad degree in progress	Women graduate students at Texas A&M pursuing degrees in science and engineering.
2/1/2019	Graduate Student Research and Presentation Travel Award	http://ogaps.tamu.edu/Buttons/Funding-Opportunities/Research-and-Presentation-Grant-Guidelines	The Office of Graduate and Professional Studies Graduate Research and Presentation Travel Award provides educational opportunities that reimburses up to \$1,000 for travel expenses associated with academic conferences, research projects, and study abroad or internships in the United States and abroad. G.R.A.D Aggies Participation a plus. Apply by February 1 for travel after March 1.	OGAPS	All	2nd year and after	Must be a full-time student in good standing. Must have attended at least 1 G.R.A.D Aggies Professional Development event within the prior 12 months. See website for further details.
2/4/2019	Primary Care Grants for Professional Travel, College of Science	http://www.science.tamu.edu/	Provide small grants to cover additional costs associated with attending a conference when primary caregiver of an adult or child. Must be attending a conference outside of the Brazos Valley. Maximum benefit \$350.	Ginger Carney, College of Science	All	All grad student, post doc, faculty or staff	Support must be justified.
2/15/2019	ACS Polymer Division DSM Science and Technology Award	https://polyacs.org/dsm-science/	The DSM Science and Technology Award was established in 2011 to recognize and reward excellence in innovative PhD research in polymer technology. The award is administered by the POLY division of the ACS and is sponsored by Royal DSM. Nominees will be judged based on both the connection to the theme and the quality of the scientific research. (See website for theme.)	See website for details	All	Grad degree in progress	Nominee must be a member or affiliate of the ACS POLY Division and a current or recent PhD student in the Americas. Nominator must be a member of the ACS POLY Division and the Nominee's PhD supervisor.
3/1/2019	Reaxys PhD Prize	https://inspiringchemistry.org/	The Reaxys PhD Prize finalists are composed of talented PhD students or recent graduates who have conducted original, innovative research in synthetic chemistry and have demonstrated excellence in methodology and approach. Competitive award, \$2000.	See website for details	All	Grad degree in progress	Consideration is given to all areas of chemistry; however, areas of synthetic chemistry (e.g., organic, inorganic, organometallic, coordination, medical, materials, and polymer chemistry) are emphasized.

3/1/2019	ACS Women Chemists Committee and Eli Lilly and Company	https://www.acs.org/content	The ACS Women Chemists Committee (WCC) and Eli Lilly and Company sponsor a program to provide funding for undergraduate, graduate, and postdoctoral female chemists to travel to meetings to present the results of their research. Through this program, WCC and Eli Lilly and Company continue to increase the participation of women in the chemical sciences. Apply by March 1 for meetings between July 1 and December 31.	Apply online	US	Grad degree in progress	Must be a female and US citizen or permanent resident. Applicant will be making her first presentation (regardless of format) at a national or major meeting.
3/15/2019	ACS Polymer Division Travel Award	https://polyacs.org/poly-gra	The POLY Graduate Student Travel Award was established to provide funding for graduate students studying polymer science at US institutions to travel to national ACS meetings and present their results (poster or oral presentation). Awardees will receive \$750 award to be applied to costs associated with registration, travel, and accommodations at the national ACS meeting at which they are presenting. One \$750 award will be based on merit and a second \$750 award will be based on an applicant making his/her first presentation, with financial need also taken into consideration. Recipients are recognized at the POLY/PMSE awards symposium at the national ACS meeting. Application is due 1 month prior to POLY abstract submission deadline on MAPS. (Around March 15 for Fall Meetings.)	See website for details	All	Grad degree in progress	Must be a member of both the ACS and ACS POLY Division. Student must be presenting at a POLY sponsored symposium.
3/25/2019	George W. Kunze Prize	http://ogaps.tamu.edu/Butt	Dr. George W. Kunze was the long-time Dean of the Graduate College at Texas A&M University. Upon his retirement, university faculty and friends generously contributed an endowment in honor of Dr. Kunze to provide an award for a doctoral student nearing completion of the degree program. Several years ago, this endowment matured sufficiently to begin providing an annual award. The primary basis for nomination and selection shall be superior academic achievement and one or more publications in a refereed journal (or journals) of national or international stature. Secondly, the nominee shall have demonstrated good citizenship through contributions to the university and/or the community.	Nominations must be turned in to the Chemistry Graduate Office by March 25. Awards Committee will forward one nominee to College by April 1.	All	Post-prelim	Must be admitted to candidacy by April 2. Must be enrolled at A&M and in residence. See website for complete nomination requirements and procedures.

4/1/2019	Montgomery Award	http://ogaps.tamu.edu/Butt	The Montgomery Award is given to a student leader whose service has also positively impacted the larger Texas A&M graduate student body. Students eligible for the Montgomery Award are student leaders making major contributions to the academic opportunities and quality of life of their fellow graduate students here at Texas A&M. Whether through demonstrated leadership in international students groups or service organizations, students must show their dedication to serving Aggie graduate students in addition to excellent academics and scholarship.	Nomination must be submitted to Graduate Office no later than April 1.	All	Grad degree in progress	
1-Apr	Hispanic Scholarship Fund	https://www.hsf.net/en_US/scholarship	he HSF Scholarship is designed to assist students of Hispanic heritage obtain a college degree. Scholarship applications are open to graduate students. Awards are based on merit; amounts range from \$500 to \$5,000, based on relative need, among the Scholars selected. Emphasis on STEM fields.	See website for information	US	Grad degree in progress	Must be of Hispanic Heritage with minimum GPA of 2.5, enroll full-time in accredited graduate school during the FALL of the scholarship cycle (year). Must be US citizen, permanent resident, DACA or eligible non-citizen as defined by FAFSA. See website.
4/6/2019	GSPC Travel Award - Summer	https://gpsc.tamu.edu/accessibility/awards-scholarships/travel-award/	Three types of Award, depending on if presenter or similar, poster presenter or similar, or attending but not presenting. See website for details and criteria.	GPSC.tamu.edu	All	Grad degree in progress	
5/1/2019	OGAPS Dissertation Fellowship	http://ogaps.tamu.edu/Butt	The Texas A&M University Office of Graduate and Professional Studies offers a Dissertation Fellowship to support students in the dissertation phase of their degree program during the academic year. This fellowship is intended to support doctoral students in the final analysis of the research topic and the final writing of the dissertation, and will be awarded to 10 students in the fall and 5 students in the spring	OGAPS, online portal	All	Post-prelim	Must be admitted to candidacy prior to submitting application. See website for additional information.
5/1/2019	Graduate Student Research and Presentation Travel Award	http://ogaps.tamu.edu/Butt	The Office of Graduate and Professional Studies Graduate Research and Presentation Travel Award provides educational opportunities that reimburses up to \$1,000 for travel expenses associated with academic conferences, research projects, and study abroad or internships in the United States and abroad. G.R.A.D Aggies Participation a plus. Apply by May 1 for travel after June 1.	OGAPS	All	2nd year and after	Must be a full-time student in good standing. Must have attended at least 1 G.R.A.D Aggies Professional Development event within the prior 12 months. See website for further details.

5/15/2019	ACS Division of Organic Chemistry Travel Award	https://www.organicdivision.org	The Division of Organic Chemistry makes travel awards of \$600 each to aid graduate students in presenting papers or posters at ACS Meetings. Scientific merit of the paper to be presented will be considered. Each university department can have only one award recipient. To Apply for the Graduate Student Travel Award, submit these supporting documents as a single PDF file via the online Submission Form. Apply by May 15 for the Fall ACS Meeting.	Apply online	All	Grad degree in progress	Must be a member of the ACS Division of Organic Chemistry. Must be presenting an ORGN paper or poster at the ACS meeting.
6/1/2019	ACS DIC Student Travel Award	http://acsdic.org/wordpress	The ACS Division of Inorganic Chemistry is accepting applications for student travel awards for graduate and undergraduate students presenting research talks or posters at ACS National Meetings. The amount of the award is \$450.00. The deadline for receipt of applications is January 15 for the Spring ACS National Meeting, and June 1 for the Fall ACS National Meeting. Winners will be notified by March 1 and August 1, respectively, for the Spring and Fall meetings.	Apply online	All	Grad degree in progress	Must be a member of the ACS DIC and must be presenting a paper in the Division of Inorganic program.
6/2/2019	Primary Care Grants for Professional Travel, College of Science	http://www.science.tamu.edu	Provide small grants to cover additional costs associated with attending a conference when primary caregiver of an adult or child. Must be attending a conference outside of the Brazos Valley. Maximum benefit \$350.	Ginger Carney, College of Science	All	Grad students, postdoc, faculty or staff	Support must be justified.
6/15/2019	ACS Biological Chemistry Division Travel Award	http://www.divbiolchem.org/awards/travel-awards/	The Division will offer travel awards on a competitive basis for graduate students and postdoctoral fellows to attend each national meeting and present a poster or oral presentation on their research. The selected awardees will be reimbursed up to \$600 for travel and registration expenses. ACS membership costs are not reimbursable. Receipts must be submitted along with a request for reimbursement after the meeting. Apply by June 15 for Fall ACS Meeting.	See website for details	All	Grad degree in progress	See website for application instructions and stipulations

6/30/2019	ACS PMSE Graduate Student Travel Award	https://pmsedivision.org/gst	The PMSE Graduate Student Travel Award is given to provide partial travel support to women and/or under-represented (African American, Hispanic, or Native American) graduate students to attend and present their research at ACS national meetings. Each awardee receives \$500 to be applied to costs of travel. Apply by June 30 for FALL ACS Meeting	See website for details	US	Grad degree in progress	Female and/or under-represented (African American, Hispanic, or Native American) graduate students performing research in fields related to polymer science and engineering who are US citizens or permanent residents are eligible. Nominees should be full-time graduate students at the time of application with a submission of an abstract (as presenter) to a PMSE symposium at a National ACS Meeting.
8/1/2019	Graduate Student Research and Presentation Travel Award	http://ogaps.tamu.edu/Buttons/Funding-Opportunities/Research-and-Presentation-Grant-Guidelines	The Office of Graduate and Professional Studies Graduate Research and Presentation Travel Award provides educational opportunities that reimburses up to \$1,000 for travel expenses associated with academic conferences, research projects, and study abroad or internships in the United States and abroad. G.R.A.D Aggies Participation a plus. Apply by August 1 for travel after September 1.	OGAPS	All	2nd year and after	Must be a full-time student in good standing. Must have attended at least 1 G.R.A.D Aggies Professional Development event within the prior 12 months. See website for further details.
8/1/2019	GSPC Travel Award - Fall	https://gpsc.tamu.edu/accessibility/awards-scholarships/travel-award/	Three types of Award, depending on if presenter or similar, poster presenter or similar, or attending but not presenting. 	Eppright Outstanding International Student Award	http://iss.tamu.edu/Current	One \$2,000 cash award is presented annually to an international student who has excelled in academics, leadership, service, and participation in extracurricular activities. This is the highest honor bestowed on an international student at Texas A&M. Graduate students with a 3.50 GPR or undergraduates with a 3.00 GPR, who have participated extensively in campus and community extracurricular activities in leadership positions, and who have been enrolled at Texas A&M for at least two full semesters, not counting the current semester. This award is announced as a highlight of International Week.	See website for details	International	Grad degree in progress	
	Good Neighbor Scholarship	http://iss.tamu.edu/Prospective-Students/Scholarships-Financial#0-GoodNeighborScholarship	This state of Texas scholarship provides a complete waiver of tuition to eligible international students from countries in the Caribbean and North, Central, and South America. Scholarship winners must still pay all applicable university fees. Applicants compete with other international students from their home countries throughout the state of Texas for a limited number of awards that are given to a certain number of students from each country. Awards are based on academic merit. Competition is intense, and final award decisions are made by The Texas Higher Education Coordinating Board, not Texas A&M.	See website for details	International students from North, Central or South America, or the Caribbean, excluding the US and Cuba	Grad degree in progress
